COME TO THE MUSIC WORKSHOPS

Play in a band, learn about live audio engineering, participate in instrument, vocal and band workshops - all this in an actual event venue featuring a stage and a technical pool.

Learn from professionals and their experience in the studio, from tours, and their expertise in theory and practice.

Tuesday 13.10.20

Drums

Guitar / Vocals

(Limited number of participant slots)

Wednesday 14.10.20

Band workshops

Advanced band workshop

(limited number of participant slots)
